

IRC League: General Rules and Regulations

1. Team members with a valid Makers account can only register for competition (If you don't have a Makers account it will be automatically created along with the IRC registration form).
2. If a team registered for a competition fails to show up on the event day, the registration fee will be forfeited.
3. A Team should have a **minimum of 2 and maximum of 4 members**. No change in team members will be allowed after registration.
4. Registration and payment for IRC will close **2 days** prior to the day of the competition at **12:00 Noon**.
5. Students have to carry their **Age proofs (Passport/Aadhaar Card)** as it will be **verified on the event day** (Same as uploaded during registration).
6. Students should adhere to eligibility criteria as on website (<http://www.ircleague.com/eligibility>).
7. Teams/parents/teachers/visitors will be provided with their respective accreditation cards, and entry in the competition venue is subject to showing proper accreditation. Refreshment will be provided only to the team participants and accompanying teacher – parents accompanying the children or visitors should make their own arrangements.
8. **Visitors/Teachers and Parents** will not be allowed to enter into the arena area at any point in time.
9. Teachers/ Parents are not allowed to interfere during the actual robot run, any obstruction by anyone in the actual run would result in disqualification of the team from the tournament.

10. If students are not satisfied with referee's decision or markings, he/she may approach the chief referee with the help of a conflict/complaint form within **10 minutes** of the actual robot run.
11. No trial arena will be provided on the day of competition.
12. Teams may have a look at their respective referee sheet to help them understand scoring rules in a better way
13. After the actual robot run, teams should sign their referee sheet (mandatory).
14. If the teams have finished all the tasks on the arena before time, the props would be refurbished onto the arena again and any additional scores gained such would be added to their overall tally.

Note: Refurbishing would only happen if the team has **succeeded in completing all the tasks.**

Note: Refurbishing has to be done by the referee only.

Note: Refurbishing time will not be counted.

15. Teams need to make sure their battery charging, components on their own.
16. Any behaviour of the teachers/team/coach/parent/visitor that does not support the spirit of IRC League is highly unwelcome and we, at IRC League, always believe in healthy discussions if doubts arise but not at the expense of delaying the competition or vilifying the environment.
17. Referee/Judges decision is final and binding.
18. In case if you have any grievance or dispute, please lodge the same with the **Chief Referee**. A fee of Rs.1000/- (Open League/Nationals/internationals) and Rs.500/- (Qualifiers) will be charged for the same. The Chief Referee would then take the final call on the complaint/grievance.

Note: Video shoot(Proof) of the Arena run/Robots are mandatory as a proof to make your stated position or filing Conflict.

19. Robots made by a team for one level **cannot be used by another team** (of the same School or any other school) for same/ different level in the same competition. If found so, both the teams involved would be disqualified.
20. Participants are requested to take care of their belongings. IRC team will not be responsible for any loss during the event.
21. Participants are advised to go through the details of venue of the event and make appropriate arrangements to reach the place on time. IRC team is not responsible for making any transport arrangements.

22. IRC team will not be able to extend any support w.r.t electrical/electronics/parts/training on the event day.
23. "Arena run stops" means Referee will stop the run and scores gained till that point will become the final score for that team.
24. "Disqualify" means a team is no longer part of that competition (No scores will be considered).
25. If any of the team tries to displace anything (Arena arrangements) intentionally then referee can disqualify the team. For example, Boundaries of the arena.
26. During the Arena run, if by any means the property of IRC are damaged then referee can disqualify the team.
27. If Arena is assigned to a team the time begins. It's up to them to utilize this time as actual run or any repairing.
